

## CA1 Series

**A range of high quality power supplies from CDVI to compliment your access control and locking requirements.**

The power supplies are available in different models, providing 12V and 24V ac and/or dc, with options of the current available.

The CA1A and CA1R are economical power supplies which deliver 12VA or 24VA. These units are ideal for running a simple keypad and electric strike, the CA1R has 2 x 12V outputs with "mid-point", which means it can deliver 12Vac or 24Vac.
