

## DGLPTWLC

The DGLPTWLC is a weather resistant panel mount proximity reader.

Its small profile makes it ideal for retrofit installation and connection is easily done thanks to its 8-core cable.

Suitable for indoor and outdoor use, this proximity reader can be fully integrated with access control systems.

### Overview

- Audible and visual feedback
- Wiegand 26, 30 or 44 bit
- Direct connection to the controller through the door controller
- Flush mount
- Sealed (resin moulded)
- Connection by 4 pair 6/10th cable
