

Datasheet

AUDIO & VIDEO ENTRY/ CDV4791S-DX Kit - 1-way entry kit

Product description

The 2EASY Series from CDVI offer advanced communication directly to your mobile device thanks to its WIFI connection with no monthly or annual subscription cost.

Thanks to its 2-wire non polarised connection, installation and maintenance is simple and straightforward.

The CDV47DX now includes WIFI connection and a new mobile app, allowing users to control access from their mobile phone by receiving calls or remotely releasing multiple locks. (max 2 locks when used with optional CDV-RLC)

Key features

- Monitor available in black or white
- Slimline design door station
- 2-wire connection
- Expandable (*contact CDVI technical support for more information*)
- WIFI connection and mobile app
